

Subject: Application for Microsoft Software Engineering Internship

Hi there,

I hope this message finds you well. I recently came across an exciting Software Engineering Internship opportunity at Microsoft, and I wanted to express my genuine interest in joining your team.

With a strong foundation in PHP, Laravel, SQL, and C++, along with a solid understanding of Object-Oriented Programming (OOP) and Data Structures and Algorithms (DSA), I am confident in my ability to make valuable contributions to your projects. My academic journey and hands-on projects have equipped me with expertise in web application development, management systems, and relational database systems. I take pride in my creative problem-solving skills, which I believe can contribute to tackling challenges in an innovative manner.

The dynamic and innovative environment at Microsoft resonates with my professional goals, and I am eager to thrive in such a setting. Accustomed to managing multiple tasks within tight timelines and budgets, I bring a keen business acumen to the table.

The prospect of working with your esteemed team, coupled with the opportunity for a part-time position, is particularly appealing. I am enthusiastic about the chance to contribute to your projects and further develop my skills under your mentorship.

I have attached my CV for additional details about my academic background, skills, and experiences. I would love the opportunity to discuss how my skills align with the goals of Microsoft.

Thank you for considering my application. I am excited about the possibility of contributing to your team and growing professionally with Microsoft.

Best regards,

Mohammad Abdullah
